

Coastal Eye Care is a multi-location private practice looking for a full-time associate for our Astoria, OR location. With state of the art equipment and a fully trained staff to assist, you will provide true family eye care to a population that is welcoming and thankful that you joined the community. Typical of most rural practices, there is a heavy medical emphasis and you will be able to practice to the full extent of your license. Revolution EHR has been used for all office functions for the past 6 years. We have a great staff who take pride in their work and who are willing and able assist you in all that you need. The coast is a truly a stunning place to live and recreate, with a relaxed slower pace of life. Your big city fix is less than 2 hours away in Portland, OR so you really CAN have the best of all worlds!

We offer:

- Competitive salary
- Quarterly production bonus
- IRA
- Paid time off
- Paid medical insurance
- Paid malpractice insurance
- Paid service club dues
- No evenings or weekends
- Opportunity to buy in or to buy the entire practice.
