

Optometrist

EyeComfort - Tigard, OR

Interested applicants please contact EyeComfort.LH@gmail.com

\$450 - \$700 a day

We are looking for an Optometrist to perform eye tests and provide excellent eye care to our patients in a fast paced, fun retail environment. We are looking for a long-term associate to join our small team and grow with our business. We are offering competitive pay with the opportunity for bonuses.

Responsibilities

- Perform comprehensive eye and vision tests
- Diagnose defects of the eye, such as myopia, astigmatism, cataracts, and glaucoma
- Provide personalized temporary and permanent solutions to sight issues based on each patient's specific case and medical history
- Prescribe medications, eyeglasses and contact lenses
- Advise patients on proper eye care techniques
- Keep updated and accurate medical records for all patients
- Book next appointments in cases where re-examination is required
- Train patients on how to use and maintain their contact lenses
- Refer eye doctors and ophthalmologists when patients need to undergo a surgery or in cases of severe eye injuries

Skills

- Work experience as an Optometrist
- In-depth understanding of eye conditions and vision defects
- Hands-on experience with eye examination tools, such as ophthalmoscope and iCare tonometer
- The ability to explain medical terms simply and calmly
- Attention to detail

Requirements

- Degree in Optometry
- Optometry license in Oregon
- Personal liability insurance

Job Type: Part-time

Pay: \$450.00 - \$700.00 per day

Medical specialties: Primary Care

Schedule:

- 8-hour shift
- Weekend availability

License/Certification:

- Optometry License (Required)

Work Location: In person
