

# OPTOMETRIST POSITION

## Full-Time Faculty Optometrist

### Hood River/The Dalles

The OHSU Casey Eye Institute is seeking a full time OD to join the comprehensive eye care team in Hood River/The Dalles, Oregon. This faculty level, clinical position would entail providing full scope optometric care, within the Department of Ophthalmology at Oregon Health & Science University.

This position, based in Hood River, OR, with regular, weekly clinical time in The Dalles, OR, would be ideal for a candidate who is interested in full scope primary eye care, vision and contact lens care and confident in providing advanced medical eye care. Optometric residency/post-graduate training or equivalent experience preferred.

Access to the expertise of numerous sub-specialties of ophthalmology is only a few clicks away with our integrated hospital based EMR as well as on site collaboration and team based eye care with our current MD providers.
